

# A4 POSTER

## 210mm x 297mm

### (flat size 216mm x 303mm)

#### Bleed Area

Bleed all edges by 3mm. This area will be trimmed off. Extend your design into this area to avoid white gaps that could occur due to paper movement.

#### Quiet Area

Quiet Areas all edges 5mm - Keep any text or important elements away from this area. This area has a safe distance to allow for any paper movement as the trimming and binding can come in further than expected.

#### Trim Area

Also referred to as the outer edge. This area is where the paper will be trimmed to the final size.
